# William Morris Gallery: Guided Tour and Talk on the Extension Project

We are delighted to offer ACA members a guided tour of the new extension at the William Morris Gallery with Lorna Lee, on **Tuesday 29th July**.

## Pringle Richards Sharratt Extension

A £10m refurbishment of the Grade II\* museum including a £3.7m extension was completed in 2013. The refurbished exhibition space created three new galleries, a library and orangery inspired extension which now houses a tea room and balcony overlooking the gardens.

Lorna Lee will guide us around the new development and highlight the challenges from a Client's perspective and project architect Karsten Weiss, Pringle Richards Sharratt Ltd will discuss the finer details of the project.

## Collections and Architects

Development of the Collection Management Plan revealed complexities in both the planning of the refurbishment and physical constraints for the storage of the collection. Frances Halahan will outline some of the concerns found and how these were resolved.

## Drinks reception and ACA networking event

We very much hope you will join us for the visit and talks and drinks reception at the Gallery.

This will provide an opportunity for you to meet other members and ACA Council.
